Y Learning Lab Supplemental Care

The Y's e-learning support Learning Labs will complement Miami-Dade County Public School's e-learning plan. During the open lab time the Y will assist with logging on to class, help with assignments, and will provide a space for participants to complete their virtual schooling. The program will include a wrap-around after-school program included in the Y Learning Lab structure that will start at the end of each school day. Program ratios will be 1:9.
