2<sup>nd</sup> – 5<sup>th</sup> Grade: **8:35 am – 3:05 pm M/T - Th/F**  
2<sup>nd</sup> – 5<sup>th</sup> Grade: **8:35 am – 2:05 pm Wed ONLY**

Please help keep our students safe by adhering to the following procedures:

### Arrival

- The only parent vehicle drop-off to be used is our drop-off lane at the front of the school by main entrance.
- Please drop off students **ONLY** in the right lane adjacent to the building.
- The left lane is to be used **ONLY** to go around cars to exit the drop-off area.
- Please do not allow your children to disembark from the left lane or left side of car. Always move as far forward as possible to maximize the use of the carpool lane.
- **Parents do not get out of your cars.** Please say goodbye to your child and have your child ready to exit your vehicle upon arrival.
- Do not park in the carpool lane, this is a safety concern and slows the flow of traffic.
- All students will report to their classrooms starting at 8:00 am. We offer morning care starting at 7:00 am for those families needing to drop children earlier.
- If you prefer to park to escort your child the walkup location on sidewalk leading to main entrance, please adhere to all posted parking regulations.
- MDCPS buses will pick up and drop off students along S.W. 74<sup>th</sup> ave.
- On rainy mornings, we will follow the same system, students reporting straight to their classrooms.

### Dismissal

- **CARPOOL ONLY DISMISSAL**
- **We have a new carpool dismissal application that allows us to us numbers to call students straight out of the classroom into their vehicles. This helps our preventative measures and precautions for covid.**
- **Please display your student number on your rearview mirror. We have provided this for every student.**
- Parents can also walk up pick up on the sidewalk by the main entrance. Please have your child's number available, as well.
- You must email your child's teacher **BEFORE** noon for a change to your dismissal plan on any given day, please ask for confirmation back. You may also send a written note with your child in the morning.
- If you have an After Care Hourly student to pick up at same time you have a 3:05 dismissal student to pick up, you must pick up student separately. Meaning, pick up ASC student in the office and wait the walk-up line for your other child.

- On rainy days, we will follow the same dismissal procedure
- Students should be picked up promptly at dismissal unless they are enrolled in After School Care. **No other supervision** is provided beyond school hours.
- **Staff parking** lots are **NOT** to be used for drop off or pick up. This creates a safety hazard for our students. **Do not park in these lots. We have a limited number of parking spaces for our staff.**

Please observe all parking, traffic, fire lane and loading zone signs. Do not double or triple park. Police will ticket drivers who ignore these signs. Please note that S.W. 74<sup>th</sup> Avenue is a one-way street (south to north) during specified drop-off and pick-up times.

## ATTENDANCE

**There are no factors more important to a student's progress in school than regular and punctual attendance. A child must attend school regularly if he/she is to succeed academically.** School Board Rule 6Gx13-5A-1.041 delineates specific guidelines and procedures regarding school attendance. All absences and tardies will be initially recorded as ***unexcused*** until appropriate documentation are provided within the three-day period. If your child has had a contagious disease, please have him/her report to the office before going to the classroom ***WITH*** a note from a doctor certifying that the illness is no longer contagious.

**EXCUSED** absences, tardies, or early dismissal are:

1. **STUDENT ILLNESS** - Students missing **5 or more consecutive days of school due to illness or injury, are required to provide a written statement from a health care provider to receive excused absences from school.** Four or less absences require a written note from parents stating the student's full name, teacher's name, date(s) and reason for absence(s) to be turned into the homeroom teacher or Attendance Manager in office. Notes to excuse a student's absence(s) must be turned in within **THREE CONSECUTIVE SCHOOL DAYS** upon their return to school to be excused. There are attendance forms at front office for parents to use in place of a written note to explain an absence.
2. **Serious Illness or Injury** – Students who are continually sick and repeatedly absent from school due to a medical condition are required to provide a written statement from a doctor.
3. **Death** in immediate family.
4. **Observance of religious holiday** or service when it is mandated for all members of a faith.
5. **School-sponsored event** or activity previously approved by the principal.
6. **Subpoena** by law enforcement agency or mandatory court appearance.
7. **Outdoor suspension.**
8. **Principal Authorized** Other individual student absences beyond the control of the parent/guardian determined by the principal or

the principal's designee and may require documentation related to the circumstance(s).

9. **Perfect Attendance** – To qualify students must have no absences, and no more than 4 tardies and 4 early releases for the current school year.

#### **UNEXCUSED absences, tardies, early releases are:**

1. **Vacations** - while school is in session.
2. **Tardiness** – Students are expected to be on time to school **EVERYDAY**. Only in emergencies, or medical appointments (see below), will tardies be considered excused. Reoccurring tardies that are due to consistent sickness and/or medical condition will require a doctor's written statement to excuse the tardies.
3. **Early Release - NO** students shall be released within the **FINAL 30 MINUTES** of the school day except in case of emergency or illness. If a child is released early before he/she is present for at least **two (2) hours of the day** or engaged in a school approved educational activity, they will be marked absent for that day.
4. **Medical Appointments** - Student's absences, early release, or tardiness due to medical appointments must be accompanied by a **written statement from a health care provider** indicating the date and time of the appointment to be excused.

Excessive unexcused absences or tardies will initiate an attendance review by the school's Attendance Review Committee. Accumulating ten (10) or more absences in one year may result in the student repeating the grade. Students who are absent have the responsibility to make up assignments. Students who are attending Palmetto Elementary on an Out of Area Transfer must maintain good attendance to remain at the school. ***A student accumulating ten (10) or more class unexcused absences in an annual course or five (5) or more class unexcused absences in a designated semester course will have quarterly and/or final grades withheld pending an administrative screening and completion of assigned interventions by the Attendance Review Committee. Unexcused absences do not require that the teacher provide make-up work for the student. However, the Attendance Review Committee may assign educationally related activities to mitigate the loss of instructional time.***

#### **BEFORE AND AFTER SCHOOL CARE PROGRAM**

A Before and After School Care Program is available at Palmetto Elementary School. The program operates from 7:00-8:25 a.m. and from 1:50-6:00 p.m. For more information, call the main office at (305) 238-4306. Also, visit our website at <http://palmettoelem.net> for more information.

#### **BEHAVIOR**

The Miami-Dade County Public Schools **Code of Student Conduct** is the mandated guide for student behavior at Palmetto Elementary School. Misbehavior on the part of students can be generally corrected when the home and

schoolwork closely together. When positive action taken by parents and teachers has not brought about acceptable behavior, other steps may be utilized as a corrective measure.

Florida Statutes 231.09(3) and School Board Rule 6GX13-5D-1.07 state teachers and administrators have the authority and the responsibility to establish and maintain sound effective discipline in the school. To provide students with a calm, safe, and secure environment for education, our school operates on the following schoolwide rules for all students:

#### **Palmetto Elementary School Rules**

1. Show respect for others and their possessions.
2. Keep hands, feet, and other objects to ourselves.
3. Use acceptable language.
4. Follow Administration/Teacher/Staff directions.
5. Do not prevent the teacher from teaching or other students from learning.

#### **BICYCLES**

It is the parent's responsibility to judge if a child can ride a bicycle to school safely. ***Bicycles are never to be ridden on school grounds.*** If your child rides a bicycle to school, he/she should know and practice bicycle safety rules. All bicycles should be securely locked to the bike rack near the cafeteria. There is no way for us to watch the bicycle and loss or theft may occur. Please register your child's bicycle and keep the serial number on hand. Remember helmets are required for safety when riding bicycles.

#### **BUS TRANSPORTATION/CONDUCT**

Students who ride the Miami-Dade County Public School busses are to follow all safety rules and listen to the bus driver. If the rules are not followed, a student may be suspended from riding the bus. Parents are to provide supervision at the bus stop in the morning and afternoon.

The following have been established to ensure the safety of all students who ride busses.

1. Use only the bus and bus stop assigned.
2. Orderly behavior is required at the bus stop.
3. Remain seated, facing front, when the bus is in motion.
4. Talk quietly and make no unnecessary noise.
5. Do not talk to the driver unless it is necessary.
6. Keep head and arms inside the bus.
7. Do not litter inside the bus or throw anything out the window.
8. No drinks or food may be eaten on the bus.

Please review these guidelines with your child. Violations of the above rules will result in a suspension from bus privileges.

#### **CAFETERIA/ FOOD PROGRAM**

**Cafeteria Rules:** No visitors may enter or bring food at lunch time to the cafeteria. Your full cooperation will allow us to maintain a smooth and safe lunch program. The Breakfast Program is offered to students daily from 8:00 a.m.-8:35 a.m. **Breakfast is free for all students**

**every school day!!** Breakfast will not be served after 8:35 a.m. Children may bring lunches from home or buy them at school. **Forgotten Lunches will not be delivered to students in their classrooms after school begins unless your child is under a doctor's orders for a special meal plan.** The cafeteria manager can provide lunch for students on that day. It is the responsibility of the parent to repay the cafeteria or have a paypams account that students can utilize. Do not send soda cans, coffee, candy, glass containers and snap-top cans to school. A nutritious lunch costs \$2.25 per day. Students who bring lunch may purchase other items to add to their lunch.

**During this school year, our entire Palmetto Elementary Staff will make every effort to make healthier selections for our students during breakfast, lunch, and classroom activities. We have established a Wellness program that will continue to promote healthier nutritional habits for our students throughout the year.**

As a service to our PES students and families you may register at [www.paypams.com](http://www.paypams.com) and pay for your child's meals in advance on a weekly/monthly basis through this online service. Problems regarding lunch pre-payment/credit should be referred to Ms. Eneyda Diaz, Cafeteria Manager.

**Students will not be allowed to make phone calls home regarding lunches;** this eliminates the number of disruptions in the office and classroom. If your child forgets or has lost his/her lunch or lunch money, we will provide him/her with a lunch and the parent is responsible for repaying the lunch loan. **It is a good idea to always have some funds available in your paypams account for these situations.**

**LUNCH TIME** rules have been established to maintain order and ensure safety in the cafeteria:

1. Use the table manners you use at home or better.
2. Talk softly and stay in your seat.
3. Leave the floor and table clean for the next group of students.
4. Show respect to the aides who are there to assist students.
5. Wait to be dismissed and leave the cafeteria in a quiet and orderly fashion.

### **CELLULAR TELEPHONES**

School Board policy prohibits the use of cellular telephones by students during school hours. If students use cellular telephones during school hours, the cellular telephone will be confiscated. Cellular telephones will only be returned to the parent or guardian. Please assist us in ensuring that your children remain focused on academic activities during their school day by reminding them that cellular telephones are not to be used during school hours.

### **CLASSROOM ASSIGNMENTS**

All classroom assignments are made randomly. Our assignments may be tentative and are made for the benefit of each child. Due to changes in enrollment, it may be necessary to reorganize classes. We need your cooperation and understanding if it becomes necessary to reassign students.

### **CONFERENCES/CONCERNS**

**All meeting will be virtual.**

**Parents may set up conferences with teachers during the teacher's planning time or after school by emailing the teacher, writing a note, or telephoning school office. The agenda book used by our 1<sup>st</sup>- 5<sup>th</sup> grade students is an excellent way to communicate with your child's teacher as well. No phone calls can be accepted by teachers during instructional time. You may use a form of instant messaging depending on the teacher's preference of communication. You can give your child(ren) the security of knowing the cooperative spirit of learning with strengthened parent-teacher relationships. It is extremely important that names and telephone numbers are kept current. You will be asked to list people who are authorized to take your child from school during the school day. Your child will not be released to any person not listed on the form. Students released from school during the school day must be signed out and picked up from the main office. Please request a note from the doctor's office to excuse the early release to be brought into school office on the following day.

Students to be released to other parents/individuals at the close of school on any given day must send a note to the teacher, first thing in the morning. Only in emergencies should a parent call the office when prior notification has not been given to advise a teacher of this change.

#### **FIELD TRIPS**

#### **GRADING**

Individual Report Cards are sent home every nine weeks. Students are assessed in all subject areas they are taught. Report cards reflect academic achievement and conduct for children in grades Kindergarten through grade five. Effort grades are earned by children in grades one through five. Additionally, Interim Progress Reports are sent to all students midway through the grading period. These reports notify parents if students are doing satisfactory or need to improve. You may also view your child's progress through the Parent Portal. More information may be obtained in our main office.

#### **HOME LEARNING POLICY**

The Miami-Dade County School Board has a home learning policy which places a great emphasis on home learning and that stresses the importance of meaningful home learning to the overall instructional program.

The minimum time requirements for elementary students are:

- Kindergarten and grade one - 30 minutes per night, five days per week, including Fridays.
- Grades two and three - 45 minutes per night, five days per week, including Fridays.
- Grades four and five - 60 minutes per night, five days per week, including Fridays.

Students must read 30 minutes daily at home above and beyond their assigned home learning. In addition to the daily home learning assignments, there will occasionally be projects or long-range assignments in subjects such as science and/or social studies, and book reports. Parents must assist with the home learning process by providing an appropriate place, a specific time and by checking over the child's work. During this study period students must not be interrupted by the telephone, television, errands or chores. Home learning is an extension of class instruction and provides opportunities for practice, drill, reinforcement, developing independent study skills, enrichment activities and preparation for future class assignments.

#### **Students are responsible for:**

1. completing assigned home learning as directed.
2. returning home learning to the teacher on time.
3. submitting home learning assignments which reflect careful attention to detail and quality of work.
4. obtaining parent's initials next to the written assignment in this agenda book for students in grades 1 through 5.

<http://www.dadeschools.net/students/students.htm>  
<http://palmettoelem.net>

Please ask for your teacher's assistance when retrieving these websites as they can provide guidance and passwords for you.

Daily practice utilizing this valuable resource will reinforce students' skills and enhance performance on state assessments. More websites may be assigned or recommended for the enrichment of each student.

**ILLNESS/INJURIES**

If a child is hurt at school, we will do everything possible to make him/her comfortable and give first aid as needed. You will be called immediately. If you cannot be contacted, we will contact the person you have listed on your child's emergency contact form. When a child becomes too ill to remain in the class, we will also contact you. For this reason, it is most important that we are notified immediately if telephone numbers are changed or if there is a change in your emergency contact information.

**Lunch Bunch is at the discretion of each teacher and must be virtual.**

The administering/dispensing of prescribed and/or over the counter medicines to students by employees of the school system is forbidden unless authorized by a licensed physician and the parent of the student. Self-administration of medication by the student is also forbidden. Please do not send aspirin, cough medicine, pills, inhalers, etc. for your child to take on his/her own without calling the school office first.

There are certain physical/medical conditions that require daily and periodic medication. Procedures to be followed for these unusual circumstances are stated in the Authorization for Medication form that will be sent home upon request. A new form must be completed every year. All medications must be sent to the school in the original container with the pharmaceutical label identifying the medication and including the child's name.

**OBJECTS TO LEAVE AT HOME**

To avoid accidents and protect the health and welfare of the children, we ask your cooperation in seeing that the following items do not come to school:

1. Chewing gum and candy.
2. Guns and bullets (including toy guns). Bringing a knife, gun or any potential weapon will automatically result in a 10-day suspension and may include a recommendation for expulsion.
3. Money in large amounts. Send only what your child needs for the day.
4. Toys, unless pre-arranged with the teacher.
5. All pets except on the invitation of the teacher.
6. Heirlooms and irreplaceable or valuable articles.
7. Electronics of all types.

**PARENT-TEACHER ASSOCIATIONS**

Palmetto Elementary School has three major parent organizations. They are all an important part of our school community. Within our active Parent Teacher Association (PTA), parents and staff work together to promote understanding and continual improvement of the educational, social and physical climate of the school community. The PTA funds and supports many of our activities and endeavors. Committees are organized to help with school needs. We invite you to join and be an active supporter of the Palmetto Elementary School P.T.A.

Our Assistants for Classroom Teachers (ACT) organization works diligently throughout the year to raise funds via various activities, fundraisers and parent

donations. All ACT proceeds are used to hire classroom assistants. This is an invaluable resource for our school.

Our Performing Arts organization works to maintain all the incredible performing arts programs we offer at Palmetto Elementary such as Concert Band, Orchestra, Jazz Combo, Beginning Band, Chorus, Drumline, and Cheerleading.

## **PHYSICAL EDUCATION**

**P.E. will be at social distancing separation and no contact activities.**

It is required that your child wear closed toe shoes or sneakers to school. If proper footwear is not worn, the child must go to physical education, but will not participate in the program. This non-participation could affect the grade received in the subject.

## **SAFETY**

The safety and wellbeing of students are a major concern of the school staff. The school has general rules and teachers have specific rules for their classroom that include the proper way to move through the building and in the room. There are also certain rules that must be followed when coming to and leaving school. These rules are explained to the children early in the year and are reviewed frequently.

Our physical education teacher, school resource officer, the principal, assistant principal and each classroom and special area teacher devote instructional time for safety. Fire drills and lockdown drills are held monthly. The purpose of the drills is to teach children to leave the building or secure themselves as quietly, orderly and quickly as possible. Tornado drills are conducted periodically throughout the year. These drills prepare children for situations requiring everyone to remain inside the building.

The child's safety to and from school is the responsibility of the parents. Plan with your child a safe route to and from school, emphasizing the importance of going directly home after school. Discuss the danger of talking to or accepting a ride from strangers. Remind children to use the crossing lights and crosswalks. Parents are asked to set an example by crossing only at corners and crosswalks.

## **SAFETY PATROL**

The Palmetto Safety Patrol is organized to help protect children from danger. We urge you and your child to respect their directions when they are on duty. Although the patrol is a group of selected children, they are still children and may only remind students of the rules. The Safety Patrol needs the support of all!

## **SCHOOL COUNSELOR**

**All meetings are virtual.**

Counseling is included in every student's program at Palmetto Elementary School. All students are entitled to counseling. The counseling team is comprised of the following: the school counselor, administrators, student services personnel, teachers, students, as well as their families.

Students and parents meet with the counselor, virtually, for a variety of reasons. Parents may contact the counselor to learn more about parenting skills, to improve family relationships, to obtain information about outside agencies, or to gain support and understanding. Children seek help from the counselor to improve peer relations, to express feelings, to feel good about school, to solve problems, to change inappropriate behavior and to discuss their academic performance.

Parents may contact the school counselor at (305) 238-4306. Students may request help from the counselor through their teacher, parents, or by leaving a note in the counselor's mailbox. You do not need to have a problem or let a problem develop before you visit the counselor.

## **SCHOOL POLICY ON BULLYING**

Palmetto Elementary has a policy that discourages student bullying. Bullying includes all behaviors associated with physical, social, and verbal abuse. Palmetto Elementary attempts to teach children how to stop bullying behaviors. Appropriate social, communication, assertiveness, and problem-solving skills are part of their learning experience. Revenge or getting even is not acceptable as a response to bullying. The student must tell the teacher, counselor, administrator, or a parent. All students are made aware of this school policy at the beginning of the school year and throughout the school year. Bullying is a violation of the Dade County Student Code of Conduct. Parents will be notified when their child exhibits chronic bullying behavior and will be responsible to participate in a plan to stop the problem.

## **CREATING A SAFE, INCLUSIVE, AND EQUITABLE SCHOOL CLIMATE POLICY**

Research indicates that a safe, inclusive and equitable school climate translates into safer, more engaging and supportive school communities. How students and staff feel about a school's culture impacts other key indicators of success, including academic achievement and teacher retention.

School climate refers to how students and staff feel about the social and environmental factors that make up their school culture (e.g., rules, policies, teaching, pedagogy, etc.). Palmetto Elementary commits to developing and maintaining a respectful, inclusive and equitable school climate, that is reflected in classrooms and common areas, free from bias and bullying behavior; clearly stated expectations about each individual's responsibility in challenging bias and bullying; and curricula that reflect the diversity of the student population and the society in which we live. Without this, students will not feel safe, welcomed, challenged and supported. All members of the

school community, including students, staff, administrators and family members, are expected to serve as role models by demonstrating ally behavior, implementing culturally responsive pedagogy and respecting other students and staff. Palmetto Elementary will not accept any form of harassment, discrimination, bullying or intimidation that would interfere with a respectful, inclusive and equitable school climate. If such an incident does take place, the school will address the issue with the individual(s) and will use the moment to educate the school community.

### **SCHOOL RECORDS REVIEW**

Upon request, the parents of any student may arrange to review specific official school records. Parents who wish to see these records are to contact the main office for an appointment.

### **SCHOOL SUPPLIES**

**There will be no sharing of supplies, each child must have the necessary items.**

Students are to be prepared for class every day. They are to have the basic supplies for school such as pencils and paper. Teachers may request additional supplies that the students will need in the classroom. You can visit our website and locate the school supply kits for each grade level. Throughout the year PTA will be selling Pawsitively Palmetto T-shirts and other school supplies through the website which the parent pays for online and the items will be delivered to your child's classroom.

<https://PalmettoPTA.myschoolcentral.com>

We do not permit rolling backpacks or rolling suitcases, as they are a safety issue in the hallways. We need your help in adhering to this policy and please assist your child by helping to organize all his/her school items the night before and place them in a specific location, preferably by the front door, so they can be picked up as he/she leaves the house in the morning.

### **SCHOOL VISITATION AND VISITORS**

School Board Policy requires all persons be checked in through the front gate by providing a current driver's license to be processed through our Raptor system to obtain a visitor's pass. This policy applies before, during, and after school. This is a means of protection for our students. **Visiting classrooms during school hours is prohibited.**

### **TELEPHONE**

The school telephone is always busy with the normal operation and functioning of school business. **Children may not use the school telephone except for emergency calls.** Please see that arrangements for after school activities are made before your child leaves home. No students are called to the phone nor are messages

delivered to them. Only in an extreme emergency can messages be relayed to students.

### **TEXTBOOKS**

**Students will not be able to share books. Laptops will be used for several classes along with student workbooks.**

### **TRAFFIC SAFETY**

Your child's safety is of utmost concern to all of us at Palmetto Elementary. Southwest 74<sup>th</sup> Avenue is a one-way street (south to north) during morning drop-off and afternoon pick-up times. Appropriate drop-off and pick-up procedures will be communicated to you throughout the year.

Children who ride a Miami-Dade County Public School bus to and from school load and unload in the area along S.W. 74<sup>th</sup> avenue.

### **VOLUNTEERS**

**Unfortunately, we are unable to allow visitors/volunteers into the school. We will advise if/when these procedures change.**

Palmetto is a National School of Excellence and has an active School Volunteer Program composed of parents, and other community members who assist in areas throughout the school. If you would like to volunteer, please contact the school for further information. All volunteers must have at least a Level 1 status in the MDCPS Volunteer database before they can participate in any volunteer activities. Please call the school office if you are not sure how to obtain this clearance.

A volunteer orientation is scheduled at the beginning of each school year to provide more information about this program. We urge you to attend if you would like to find out more about this most rewarding program.

### **WITHDRAWALS AND TRANSFERS**

1. When withdrawing your child from school, the school should be notified at least one day in advance to complete the necessary paperwork.
2. When students transfer to schools within Miami-Dade County, parents must apply for the transfer in person at the sending school. Parents must provide verification of address change, which may be a broker or attorney's statement of purchase of home, utility deposit receipt or an executed lease agreement.
3. We will make sure all textbooks and library books are accounted for and that no money is owed to the cafeteria or after school care program before the withdrawal may take place.
