ARRIVAL AND DISMISSAL PROCEDURES!

REMINDER!!!

- Do not use Cellular phones while in the carpool line. IT'S THE LAW!
- The only vehicle drop off/pick up location is the carpool lane in front of the school.
- Please drop off students ONLY in the right lane adjacent to the building, the left lane is only to go around cars and exit the drop off area.
- Do not allow your child to disembark from the left side of the vehicle, that will have vehicles passing by.
- The Carpool line runs south on 74th Ave., when the line reaches the four way stop on 128th street, please continue the line wrapping around the front of the middle school, 124th St. and continue wrapping around 73rd Ave. Do not block the four way stop or attempt to bypass others that are waiting. Do not use any of the side streets to cut off parents waiting in line.
- For the safety of our children, do not drop off or pick up students in the street. Please use the carpool lane or walk up drop off/pick up.
- Staff parking lots are dangerous places for children, never drop off, walk through, or direct your child to meet you in a parking lot.
- Always move as far forward as possible to maximize the use of the carpool lane and never exit your vehicle in the carpool lane. Please say your goodbyes and have your child ready to exit your vehicle before you arrive at the carpool lane.
- Please use your carpool sign in the afternoon for car pick up and walk up. Signs can be requested from your child's classroom teacher.
- Do not jaywalk or walk in front of vehicles in carpool! Teach your children proper safety procedures. Use the crosswalk and/or sidewalk.
- School doors open at 8:00 am. There is before school care offered, for a fee, that begins at 7:00 am. Please contact main office for before/after school care information.
